

## **OKUN GROUND RULES**

All basketball hoops, air ducts, lights, banners, scoreboards and beams meet the minimum 15-foot height from the floor, so ruling will be part of ceiling (rule 8.4.2a)

**ALL raised backboards are considered part of the ceiling. See photo**

Players are not allowed to enter adjacent courts during anytime while playing the ball or after playing the ball, but can play the ball while behind end line of adjacent courts (rule 9b)

The net if moved while playing the ball, must be by the player playing the ball, not a teammate (rule 9a).

**No cameras or people are allowed along the nets, behind the courts, or in front of gray sidelines along the bleachers.**

**Wire above courts 1, 4, 8 and 5 is over playable area and is considered part of the ceiling.**
